

## Castleton United Methodist Church

- Located in Indianapolis, IN
- Owner: Castleton United Methodist Church
- Project Description: Limited master planning and schematic design services facilitated
- eventual construction of a new sanctuary, viable campus options narrowing to one Master Plan for CUMC along with parking and drainage requirements. The proposed master plan illustrated and described the placement of the new sanctuary with existing facilities, eventual use of the current CUMC sanctuary, as well as the requisite site related development requirements.
