

St. Vincent Carmel Hospital

- Located in Carmel, IN
- Owner: St. Vincent Health
- Project Description: A satellite hospital of St. Vincent Indianapolis, the Carmel facility was designed with vertical and horizontal growth in mind. Administration services and central registration are located on the main floor. Primary care nursing units operate on the two upper floors. The facility also includes patient rooms, outpatient areas, surgery, radiology and emergency rooms. Lobby areas, a gift shop and cafeteria solariums accommodate guests.
