

Renovation of Existing Library Avon-Washington Township Public Library

PUBLIC LIBRARY Avon, IN

For this 26,750 square foot renovation, OMS was charged with: relocating the Circulation Desk to implement new RFID technology; creating a dedicated Teen Area with collaborative social zone and technology; developing a separate the Children's Area from the Adult Area including age appropriate finishes and furniture; creating a Business Center adjacent to the Circulation Desk and small Quiet Study Rooms. Additionally OMS opened up the space for improved visibility and sightlines, designed a new exterior book drop canopy to protect patrons returning materials, renovated lower level Meeting Rooms including: new floor, wall and ceiling finishes plus new mobile furniture. The restrooms were also renovated and a new vending area was created.
