

Jasper Middle School

Jasper, IN

Situated on a 59 acre site, Jasper Middle School has a capacity 900 students. A limestone and brick veneer building, it is organized into activity and academic areas. The cafeteria serves as the center of the activities area and is a lobby for the auditorium. A large group instruction room (LGI) located between the cafeteria and two main lobbies accommodates community groups and instruction. The activities wing includes the main gymnasium, P.E. gymnasium, fitness and cardiovascular rooms, wrestling, locker rooms and service areas. The media center, student services and administrative offices are focal points in the academic wing.
