

Noblesville West Middle School Noblesville IN

The Noblesville Intermediate School accommodates 1,400 students in fifth and sixth grade. The conceptual layout is based upon distinction of core academic spaces from shared use spaces. The academic area consists of 56 grade level classrooms and provisions for special needs children. The shared use portion of the building contains the physical education (two gymnasiums), cafeteria and performing arts spaces. The 10,500 s.f. main gymnasium has one main court with two cross court practice courts, a divider curtain and bleacher seating for 700. The 7,700 s.f. auxiliary gymnasium includes one main court with two practice courts. A three lane jogging track loops around the main and auxiliary gyms. Cardiovascular fitness rooms also are provided.
