 ARCHITECTURE INTERIOR DESIGN  
 LANDSCAPE ARCHITECTURE ENGINEERING

OMS completed technology design for Simon Hall and a portion of the architectural design and construction administration services. This building blends with the existing Gothic Colligate campus architectural style. Technology for this 140,000 s.f. project included the installation of a fire alarm system, access control system, CCTV (Closed Circuit Television) system, security alarm system, audio / visual presentation systems and voice/video/data cabling system.

Technology/electrical for the 150,000 s.f. MSB II project included the installation of a fire alarm system, access control system, CCTV (Closed Circuit Television) system, security alarm system, audio /visual presentation systems, voice/video/data cabling system, lighting system and power distribution system. This project achieved LEED Silver.

Construction

140,000 sqft Simon Hall  
 120,000 sqft MSB II

Construction Cost

\$46,600,000 Simon Hall  
 \$42,000,000 MSB II

Completion Date

Summer 2007 Simon Hall  
 Summer 2009 MSB II

Owner

Indiana University
